Services

Permanent Care, Respite Care, Ageing in Place

Renmark Nursing Home was established in 1976 and has developed into a high standards facility, with impressive surrounds. There are single rooms and shared rooms with shared bathrooms and communal dining and lounge rooms.

In addition to our comprehensive clinical care programs, we offer scheduled visits by a General Practitioner, Pharmacist, Physiotherapist and Podiatrist.

There are onsite religious services monthly and a practitioner visits regularly to provide emotional and spiritual support to consumers and families.

Meals are prepared and cooked onsite daily, complimented by a rotating menu.

Renmark Nursing Home is an important part of the local community, with most of the consumers coming from the surrounding district. The home is supported by an active Renmark Paringa District Hospital Ladies Auxiliary who work tirelessly to provide funds to purchase goods to enhance the comfort of consumers and to beautify the home.

Our staff, volunteers and consumers participate in community events such as the Renmark Rose Festival, Renmark Riverfront Christmas Party, Renmark Christmas Carols and ANZAC day, and attend the Chaffey Theatre for select events.

A dedicated team of staff provide 24 hour support. Most of our staff live in the local area and have been with us for many years, ensuring continuity of care. Staff take pride in providing compassionate and professional care.

Renmark Nursing Home is situated in a residential area on Ral Ral Avenue, Renmark, and is co-located with the Hospital, ensuring ready access to medical care.
