Support at Home Pricing Schedule

June 2026

This Support at Home Pricing Schedule has information for Support at Home program clients.

Each page lists service types available under a different category.

- **Clinical care** includes specialised services to maintain or regain functional and/or cognitive capabilities
- **Independence** includes support delivered to help manage activities of daily living and the loss of skills required to live independently
- **Everyday living** includes support to assist older people to keep their home in a liveable state to enable them to stay independent in their home.

The right-hand side of the table shows the prices for each of these service types.

The price changes depending on when you access the service type, for example:

- during **standard hours** (7:00am to 5:00pm, Monday to Friday)
- during **non-standard hours** (5:00pm to 7:00am, Monday to Friday)
- during **weekends**
- during **public holidays**.

Some service types are marked as NA where they are not available during non-standard hours, on weekends or on public holidays.

All prices are inclusive of GST and correct as at 1 July 2026.
